114 East 32nd Street
New York, New York 10016

Dear Mr. Bassey:

Thank you for your letter of November 13, 1972.

I am somewhat puzzled by your reference to "our discussion" of last Friday. The gentleman with whom I spoke said his name was Tony Sampson. He gave his telephone number as 725-0152, which does not appear to be your number judging from your letterhead.

In any event, I must inform you that we are unable to be of assistance to you.

Sincerely,

Angus MacLean Thuermer
Assistant to the Director
